ASPERGILLOLISIS

SECOND AFFIDAVIT/DECLARATION

We, Kolluri J.R. Murthy and Kambadur Muralidhar, declare and state as follows:

First, we are familiar with the publication, "Association of Polymorphisms in the Collagen Region of Human *SP-A1* and *SP-A2* Genes with Pulmonary Tuberculosis in Indian Population<sup>1b</sup>", Clin Chem Lab Med 2002; 40(10): 1002-1008;

Second, we are listed as contributing to this publication;

Third, we are associated with the Assignee of the above-identified application,

Fourth, that this publication originated with or were obtained from Shweta Saxena, Taruna Madan, and/or Puranam Usha Sarma;

Fifth, that we are familiar with United States Patent Application No(s). 10/102,731, filed March 22, 2002 and 10/686,786, filed October 17, 2003;

Sixth, that we are not inventors of the above identified subject matter;

WHEREFORE, I declare that all statements made herein of my own knowledge are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Date: 13. March. 2007
